

Salt River Pima-Maricopa Indian Community

2014 Primary and General Election

ATTENTION NON-RESIDENT VOTERS

**You are Required to
Declare a “Home District”**

If you are Enrolled Community Member who lives off the Community and you vote in Community Elections you are considered a non-resident voter.

You are now required to declare, in writing, whether the Salt River or Lehi District is your “Home District”. You can pick up the “Home District” Application at the Community Development Department’s reception desk.

Your “Home District” is your district of origin, lineage, ancestry or the area of the Community you identify with.

Once you declare your “Home District”, you will only have voting privileges in the elections in that district. Your “Home District” cannot be changed, unless you move on to the Community and you are no longer a non-resident voter.

If you have any questions, please contact Erica Harvier, Council Secretary at (480) 362-7466.
